

REMARKS

This Amendment is in response to the Office Action of March 19, 2004, in which the Examiner made certain technical objections to the. The technical objections have been addressed by the Amendment, and such amendments should not be considered further limiting

Claims 34 has been rejected over Titus in view of Elton. The claim has been amended in order to recite the arrangement of the conductor having at least one uninsulated conductor element and a plurality of insulated elements.

The Examiner rejected certain claims over copending Application 10/603,802. A Terminal Disclaimer is presented herewith.

It is believed that the claims are now in condition for allowance and such a determination is earnestly solicited.

If filing this paper or any accompanying papers necessitates additional fees not otherwise provided for, the undersigned authorizes the Commissioner to deduct such additional fees from Deposit Account No. 04-2223.

Respectfully submitted,

DYKEMA GOSSETT PLLC
